NEW GSX-S1000GT

POWER YOUR JOURNEY IN STYLE

Superbike derived performance paired with the latest technology and all-day comfort allows the new GSX-S1000GT to deliver a next level sports touring experience for both rider and pillion.

The thrilling 152PS, torque-rich powerplant and seamless quickshifter is just the start. A comfortable yet dynamic chassis, hard-luggage capability and cruise control mean that miles of breathtaking roads are covered with ease. All this is combined with striking looks, a premium finish and a 6.5" colour TFT display with smartphone connectivity to round off the perfect machine for your next journey.

Make your selection of Suzuki Genuine Accessories to add even more performance, distance and connection to your next journey.
